

# Want to help a local high school student?

## *Why volunteer?*

To make a difference in the life of a local public school student. To get connected with your community. You can tutor any subject - English, math, science, engineering; get involved in Science Olympiad; or help students apply to college.

## *What is the time commitment?*

Volunteers give at least 1-2 hours per week for at least one semester.

## *When and where are volunteers needed?*

Volunteers are needed any time between 7:30am—4:00pm Monday through Friday. The city's high school, Cambridge Rindge & Latin School, is located within walking distance of Harvard Sq.

## *How do I get started?*

Contact us or sign up online for the next weekly volunteer orientation.
